

Namaskar Mandali

Makar Sankranti greetings to all of you.

Our Leeds Marathi Mitra Mandal turned 1 year yesterday and it is turning out to be a very Healthy little baby. LMMM now also has a logo and it is something to be proud of. Our Sankranti programme yesterday was very enjoyable and many thanks to everyone who came. For those who could not make it for whatever reason, here is a little description of the event.

The Sankranti event started with the traditional 'Nandi'. Shailesh and Shantanu hosted and compered the event excellently and there were many song and dance performances taking us back to memories from our Maharashtra. There was recital of Mangesh Padgaokar's poems and even there was a 'Gondhal'. There was active participation in the light discussions co-ordinated from the stage and in the audience by Sameer Kolvankar and Ashish Pandit. The entertainment programme was followed by 'Haldi Kunku' when souvenirs and LMMM calendars were presented to each family, along with 'tilgul ladu'. The Media team (Satish Benkalkar, Pravin Bidappa and Godwin Soloman) have done a great job, captured every moment of the event. The Mandal appreciates efforts from Ketan Badu, Anshuman Shembekar, Atul Bane, Ashish Pandit. We can't forget the delicious 'tilgul laddoo' from Purandare kaku and "paan" from Sonalker kaku. Sonali Mujumdar and Parinita Badu put in great efforts in shopping for cake and Sankranti gifts for ladies. Special mention is warranted for the excellent food at the event which the Mandal sourced from Leicester!

The participation from all of you is very heartening and feedback from the Whatsapp group has been very encouraging. We are reproducing a select few messages we received on the group. Please keep sending your suggestions. We are also thinking of providing a platform for news and articles about our members and the Marathi community in our area. So if anyone of you has achieved anything recently, want to write an article or a poem, please send it to us and if suitable, we will make all efforts to publish it! Hope you have a great time and hope to see all of you to grace the next program!!

Great to see so many talents on stage and connected to the Marathi culture. Great to be part of the one-year celebration and Sankranthi. Thanks to Shailesh, Santhanu family and others who made the function possible with their hard-work. Food was delicious. We will celebrate many more functions together and continue to be part of the Awesome Leeds Marathi Mandal. Hip hip hurray!!!
